Making Business Connections

Utility Telephone proudly provides service in more than 900 wirecenters throughout California and Nevada. For a small CLEC, we have a big footprint, keeping our customers connected anywhere their business takes them.

By investing in state of the art technology, managing our own infrastructure, and utilizing multiple carriers, Utility Telephone's network works smarter, economically and more efficiently than our competitors. After all, we've been in the business of connecting local businesses for 15 years.
